Dear Ms. Slaughter:

This is in regard to your application for twin trailer truck access routes from I-77 to the Magla Products, Inc. terminal in Mooresville.

Under Application 052 your company, by letter dated March 31, 1989, was granted access to this terminal from I-77 along NC 150 to NC 801, then along NC 801 to Brookwood Street. You were to ask the Town of Mooresville for permission to use Brookwood Street. Under Application 093 you are applying for access to this terminal from I-77 along NC 150 to SR 1164, then along SR 1164 to the terminal drive. Our field traffic engineers have discussed this routing with you and indicate you prefer the SR 1164 route over the NC 801 route from NC 150. Therefore, we are advising you of the revocation of the NC 801 routing and approval of the SR 1164 routing, as shown below. Thirty days prior notice is required for revocation; therefore, the effective date of this revocation is September 26, 1990.

The following twin trailer truck access route is hereby revoked :

From I-77 in Iredell County easterly along NC 150 to NC 801, then along NC 801 to Brookwood Street, in Mooresville.

The following twin trailer truck access route is approved:

From I-77 in Iredell County easterly along NC 150 to SR 1164, then southward along SR 1164 to the Magla Products, Inc. terminal driveway, in Mooresville.
